

## September 2020 Enrolment Covid-19 Precautions and Protection

---

Quick Guide

### ON ARRIVAL IN THE UK

Providing a safe, socially-distanced transfer to the college

- Met by an Abbey DLD Group representative
- Your driver will wear a facemask or sit behind a protective screen
- Anti-bacterial sanitiser and wipes available in vehicle

### IN COLLEGE

Testing and virus prevention

- Thermal cameras to check all students and staff
- Facemasks and sanitisers available to all students
- Regular deep cleaning of all college facilities
- Covid tests available when required

### QUARANTINE

Supported isolation and online learning

- Students will be able to self-isolate in the comfort of our college boarding houses or host families
- All meals provided
- Start learning online, join in person after quarantine
- Small group quarantine huddles, supported by house parents

### INDUCTION AND WELFARE

Becoming a part of our college community

- Full induction for students observing quarantine
- Keep active, engaged and feel part of our community
- House parents and personal tutor on hand for one-to-one chats and welfare checks
