

A portrait of a young man with dark, curly hair, smiling and looking towards the camera. He is wearing a blue denim jacket over a white t-shirt and a yellow tie. His arms are crossed. The background is a blurred outdoor setting with green foliage and a building with orange and grey panels.

"Studying here has helped me to gain discipline in my studies, whilst enabling me to develop social skills and make friends that I will see at university. Teachers are very thoughtful and kind, and they offer academic and pastoral support. I think that I have become more responsible and disciplined in my studies."
