---

**PREVIOUS SCHOOL:**

Excellent Preparatory Academy

**A LEVELS:**

Chemistry	A
Mathematics	A*
Further Mathematics	B
Physics	B

**DESTINATION:**

UNIVERSITY OF MANCHESTER  
TO STUDY CHEMICAL ENGINEERING  
WITH INDUSTRIAL EXPERIENCE

*“Teachers make sure every student is engaged in lessons by asking lots of questions, and they make sure no one lags behind. Meeting new people and getting to know them has been fun. My favourite club is games, and I enjoy time spent playing with peers and teachers.*

*I hope to study chemical engineering at university, teachers have helped with my UCAS application, and to prepare with mock interviews. It's been enjoyable!”*
